

# THE BONNY METHOD OF GUIDED IMAGERY AND MUSIC

ATLANTIS INSTITUTE FOR CONSCIOUSNESS AND MUSIC

GIM LEVEL I  
PROFESSIONAL TRAINING PROGRAM

SUMMER 2018  
June 22-24 AND July 20-22  
Asheville, NC

The **Bonny Method of Guided Imagery and Music** (GIM)  
is an integrative modality which allows for movement towards wholeness.

In this training you will learn:

- The theoretical and philosophical perspectives of the transformative power of music
- Instruction and practice in guiding a music and imagery session
- The application of **The Bonny Method** for individual and group work

This modality is a perfect addition to the tool box for psychotherapists,  
and others in the healing professions.

Come explore with us!

*In processing there is space beyond the logical and rational  
where emotion, intuition, creativity and soul reside.*

*The **Bonny Method** can take you there.*

*The cells of the body hold experiences.*

*It is as important to process physiologically as it is psychologically.*

*The **Bonny Method** can take you there.*

Come, explore this Fellowship program to bring  
additional resources to your practice.

Allow yourself the gift of growth along the way.

## FACULTY
